MEMORANDUM RE: APRIL 20, 2017 STATUS CONFERENCE

Lead Counsel Irwin Levin appeared on behalf of the plaintiffs, together with Lynn Toops. Claudia McCarron appeared for the defendant, Medical Informatics Engineering. Ernani Magalhaes appeared for the Indiana Attorney General's Office; and Peggy Johnson appeared by phone for the Arkansas Attorney General's Office. Representatives from the Department of Health and Human Services and Federal Trade Commission declined to attend.

Mr. Magalhaes and Ms. Johnson advised the court that their investigations were ongoing, but indicated that they weren't in a position to speculate on when those investigations might conclude. Ms. McCarron advised that she has been in regular contact with the representatives from Department of Health and Human Services and Federal Trade Commission; that their investigations are proceeding; and that she believes they might conclude by June.

At Ms. McCarron's request, and by agreement of the parties, the status conference was continued to **July 12, 2017 at 1:30 p.m. (E.D.T.)**. On the court's own motion, the stay was extended to **July 31, 2017**.

SO ORDERED.
